

## Product data sheet for uvex phynomic

**MADE IN GERMANY** 

### Manufacturer address

UVEX SAFETY Gloves GmbH & Co. KG  
Elso-Klöver-Str. 6  
D-21337 Lüneburg  
uvex-safety.de

The best grip in oily conditions in its class. The Xtra Grip coating ensures excellent grip in oily areas and a long service life of the glove. For increased sustainability and safety, uvex phynomic cut protection gloves come from our carbon-neutral production in Germany. They feel like a second skin, are sensitive and meet the highest requirements for protecting your health (proDERM®). Thanks to touchscreen compatibility with all common screens, tablets and mobile phones, there is no need to take off the uvex phynomic C XG protexxion zone. The uvex protexxion zone between the thumb and index finger offers additional protection and a longer service life.

### Features

- Increased service life due to uvex protexxion zone
- excellent oil grip
- Good mechanical abrasion resistance
- Ergonomic fit
- certified skin compatibility (proDerm®)

### Suitability for industrial working environments

- suitable for damp and oily but also dry working environments
