

Product datasheet

uvex 1 sport 6592 1-4

Safety shoe DIN EN ISO 20345:2022 S3L FO SC SR sizes: 35 - 52 | width: 10, 11, 12, 14

AREA OF APPLICATION

The light application covers all areas in which work is carried out indoors in particular and which do not place high demands on the physical properties of the outsole of a safety shoe.

OUTSOLE

Dual density Polyurethan

- Shock-absorbing PU midsole
- Antistatic
- Short-term heat resistant up to 120°C
- Excellent slip resistance (SR)
- Oil and fuel resistant (FO)
- free of silicones, plasticisers and other substances that interfere with wetting agents

Upper material Breathable microvelours Water repellent (WPA) Suitable for people allergic to chrome Lining material Eastening Comfort Soft padding on collar Sizes 35-40 have been produced using a women's last Removable comfortable insock PROTECTIVE FEATURES Toe cap Anti-penetration Scuffcap Metal-free toe cap Anti-penetration Scuffcap Metal-free, textile anti-penetration Certified for orthopaedic insocks and shoe adjustments according to the description in DGUV 112-191 100 % Vegan Certified free from animal ingredients and products Additional protection for people with allergies and intolerances ESD Protection against electrostatic charge according to EN 61340-4-3 und EN 61340-5-1 SUSTAINABILITY Recycled/sustainable materials Pree from harmful substances in accordance with the uvex restricted substances list ACCESORIES/ SPARE PARTS Replacement insock 1 9579 7-0 1 Water repellent (WPA) Suitable for people allergic to chrome Metal-free foot colling or comfortable foot climate Laces Cartified for corthopaedic insocks and shoe adjustments according to the description in DGUV 112-191 Certified free from animal ingredients and products Additional protection for people with allergies and intolerances ESD Protection against electrostatic charge according to EN 61340-4-3 und EN 61340-5-1 SUSTAINABILITY Recycled/sustainable materials Pree from harmful substances in accordance with the uvex restricted substances list ACCESORIES/ SPARE PARTS Replacement insock New 195284 Metal-free PROTECTIVE FEATURES Particularies Prescription for people with allergies and intolerances New 195285
