

### DESCRIPTION

The PSP 43-687 First Aid Kit, Type BHV 2021 is a 36-piece case for administering First Aid in case of accidents. The BHV kit suitcase is approved by the Oranje Kruis and meets with the new guidelines of the year 2021. The internal BHV organisations of a company are trained in the use of these resources according to the new guideline 2021. This PSP 43-687 First Aid Kit is designed so that both the professional and the amateur never miss out. The FAFS kit comes with the unique approval number VD 73-54.
