

SF 30-350 Welder

S3 Welding shoe, high model

DESCRIPTION

The Safeet Welder 30-350 is a full-grain leather welding shoe with fire-resistant Velcro fastening and PU/rubber sole. This safety shoe is S3 certified, has a composite safety nose, plastic midsole and an overnose. The moisture-regulating mesh lining keeps your feet dry and the padded tongue and contrefort provide extra comfort. The Velcro fastening gives you a "quick release" option to quickly remove the shoe in an emergency. Finally, this shoe is equipped with a high-quality moulded PU inlay sole by Safeet.

In short: Safeet ensures you wear a sturdy and trouble-free pair of Heavy Duty safety shoes.
